Above and Beyond Tutoring

About Us

Many students struggle in the math classroom, not because of the content but the class setting which is often overpopulated and intimidating. The Above and Beyond Tutoring program will offer one-on-one tutoring sessions at a greatly reduced rate, just $40 for six sessions to be affordable to the families of these students. The Above and Beyond Tutoring program will cover the remaining costs for these sessions to maintain talented tutors. The goal is to help these students gain the math skills they require so they do not continue to trail their peers, and ultimately help them regain ground so they can be competitive academically. One tutoring session is typically the equivalent of 2.5 class room sessions due to the one-on-one nature tutoring.

My name is Elihu Bey. I have been an educational mathematics instructor for the past 19 years. I founded Above and Beyond Math Tutoring in 2013 with the intent to provide quality personalized instruction at an affordable rate.

COVID-19 has raised new barriers for many postsecondary students, with heightened impacts emerging for students of color, students with disabilities, and students who are caregivers, both for entry into higher education and for continuing and completing their studies.

Office for Civil Rights, 2022

Sponsorship Levels

At Above and Beyond Tutoring, we count our sponsors as partners dedicated to closing the achievement gap for at-risk students in our communities.

Platinum Partner Sponsor $5,000

The Platinum Partnership Level offers full recognition as Partner on program marketing materials, website, and social media. Opportunity to distribute notebooks, pens, and corporation collateral with Partner logo as part of learning materials.

$5,000 provides 25 students with a tutoring cluster (six tutoring sessions in a 30 day time frame)

Gold Partner Sponsor $3,000

Gold Partnership Sponsorship offers recognition on marketing materials, website, and social media.

$3,000 provides 15 students with a tutoring cluster (six tutoring sessions in a 30 day time frame)

Silver Partner Sponsor $1,000

Community Partner Sponsors will be recognized on social media and website.

1,000 provides 5 students with a tutoring cluster (six tutoring sessions in a 30 day time frame)

Community Partner Sponsor $500

Community Partner Sponsors will be recognized on social media and website.
